

JUNETEENTH EVENT

Saturday, June 14, 2025 | 11 am - 4 pm | Jackson Park

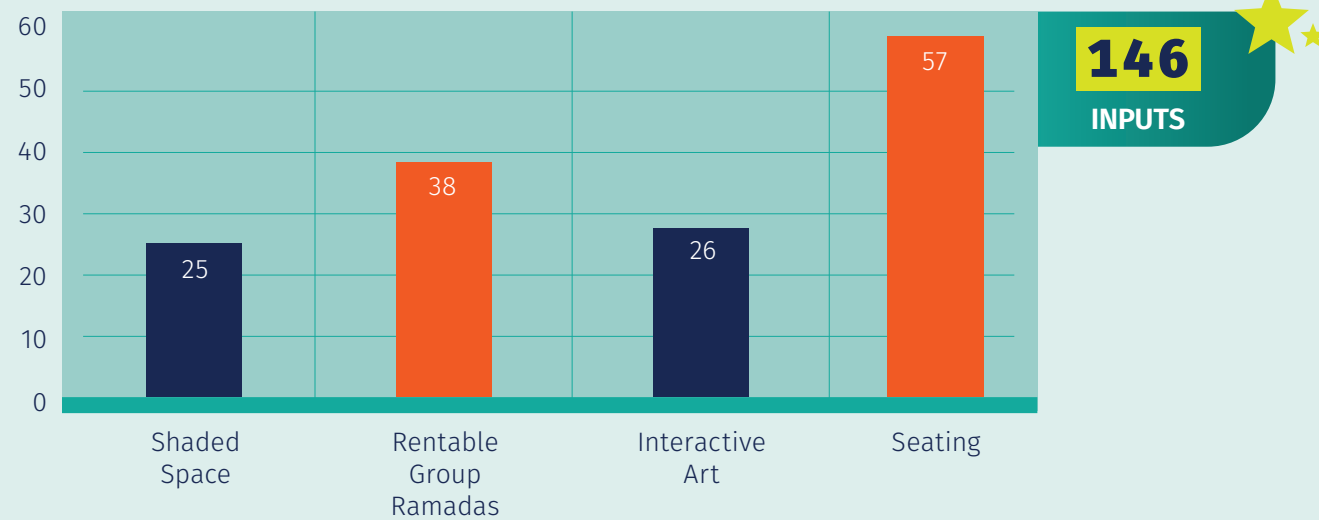

Kimley-Horn attended the Juneteenth Celebration alongside Dubuque Parks and Recreation staff. We engaged with the community to provide awareness of the master plan process and to facilitate input through participation in the dot-ocracy exercises. Moreover, we provided bookmarks with QR codes to the master plan website and informed citizens to complete the survey as well as to drop pins on the online map. The project team also provided 10 boards to engage the community with dot-ocracy by allowing community members to place 12 dots on images of what they valued most within the parks and what they would like to see more of in the future of their park system. Below are the results of the public engagement input:
